

Press Release from Orange County Parks Department, 1/14/19

Orange County will be closing Pavilions #1, #2 and #3 at Claiborne Park immediately. After receiving structural reports in preparing documents to present to FEMA, it has been determined that there is significant structural deficiencies found and that all three large pavilions be demolished and rebuilt. Orange County will be moving forward to rebuild the facilities as soon as possible.

Claiborne Park is still open to enjoy the play grounds, walking trails and the use of the three other smaller covered picnic areas. Portable restroom facilities will be provided in two areas of the park while the large pavilions are closed. Reservations can still be made for the smaller covered picnic areas. Reservation for the three large pavilions are being cancelled and refunds of deposit will be given back.
