

ORANGE COUNTY EMERGENCY MANAGEMENT
PRESS RELEASE #14
SEPTEMBER 22, 2019

COFFIN LOCATED AND SECURED

Orange County Officials were notified of a casket located in the Mary Williams Cemetery that had apparently floated out of the surface level vault it was contained in. Officials responded to the cemetery and were able to secure the casket. It was reported to be only one casket that had been affected and proper notification is being made. Mary Williams Cemetery is located at the intersection of Cajun Way and Oilla Road in Orangefield.

It was reported on social media that several caskets were seen out of their vaults. Officials assessed several other cemeteries in Orange County and stated no other issues were found.
