RE: Delinquent Tax Foreclosure Sales**

Thank you for your interest in our property tax foreclosure sales also known as sheriff sales. We hope the information in this letter will answer your questions. All forms mentioned below are available from this office.

Tax foreclosure sales can only be held on the first Tuesday of each month. These sales are conducted online. The website is: <https://orange.texas.sheriffsaleauctions.com>. They are generally held two to three times a year and are advertised in the local newspaper for three (3) consecutive weeks prior to the date of the sale. The notices usually appear in the classified section of the Sunday *Orange Leader*. Contact information: (409) 883-3571 or www.orangeleader.com. The opening bid at these auctions is an amount that is equal to the lesser of the following two: 1) the total amount of the taxing jurisdictions judgment including tax, penalty, interest and court costs or 2) the appraised value of the property appearing in the judgment. The tax foreclosure sale is a public online auction and any member of the public is entitled to bid. Successful bidders are expected to pay for the property by the conclusion of the day following the sale. Acceptable forms of payment are bank wire, cashier's check or money order. In addition to the final payment, the purchaser must convey to the tax office an unexpired written statement, showing no delinquent property taxes are owed. Upon receipt of the final payment and the written statement, a sheriff's deed will be issued to purchaser. This statement (**that only needs to be done IF you are the successful bidder**) is obtained from the county Tax Assessor-Collector by submitting the form, *Request for TAC Written Statement of Delinquent Taxes* and a fee of \$10 will be added to the total amount of purchase. The former owner of the property has a statutory right to redeem the property from the auction purchaser; however, they must meet very specific redemption requirements and time period in order to do so. We cannot give legal advice regarding this matter except to advise you to seek legal counsel if you are unsure of the redemption period applicable to the property and /or the amounts to which you are entitled upon redemption by the former owner.

Properties that do not sell at a tax sale are struck off as *properties in trust*. These properties are eligible for bid through a 30-day sealed or an open bid process conducted by the tax assessor-collector. Additional information on trust properties is available upon request at the above contact information.

We *do not* maintain a tax sale mailing list; however, we do maintain tax sale information on our county website: www.co.orange.tx.us.

Please feel free to contact our office with any questions or concerns regarding our Tax Sale. For questions related to the online auction website please contact Realauction toll free at (877)361-7325.

Sec. 34.21. Right of Redemption

(a) The owner of real property sold at a tax sale to a purchaser other than a taxing unit that was used as the residence homestead of the owner or that was land designated for agricultural use when the suit or the application for the warrant was filed, or the owner of a mineral interest sold at a tax sale to a purchaser other than a taxing unit, may redeem the property on or before the second anniversary of the date on which the purchaser's deed is filed for record by paying the purchaser the amount the purchaser bid for the property, the amount of the deed recording fee, and the amount paid by the purchaser as taxes, penalties, interest, and costs on the property, plus a redemption premium of 25 percent of the aggregate total if the property is redeemed during the first year of the redemption period or 50 percent of the aggregate total if the property is redeemed during the second year of the redemption period.

(b) If property that was used as the owner's residence homestead or was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, is bid off to a taxing unit under Section 34.01(j) or (p) and has not been resold by the taxing unit, the owner having a right of redemption may redeem the property on or before the second anniversary of the date on which the deed of the taxing unit is filed for record by paying the taxing unit:

- (1) the lesser of the amount of the judgment against the property or the market value of the property as specified in that judgment, plus the amount of the fee for filing the taxing unit's deed and the amount spent by the taxing unit as costs on the property, if the property was judicially foreclosed and bid off to the taxing unit under Section 34.01(j); or**
- (2) the lesser of the amount of taxes, penalties, interest, and costs for which the warrant was issued or the market value of the property as specified in the warrant, plus the amount of the fee for filing the taxing unit's deed and the amount spent by the taxing unit as costs on the property, if the property was seized under Subchapter E, Chapter 33, and bid off to the taxing unit under Section 34.01(p).**

(c) If real property that was used as the owner's residence homestead or was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, has been resold by the taxing unit under Section 34.05, the owner of the property having a right of redemption may redeem the property on or before the second anniversary of the date on which the taxing unit files for record the deed from the sheriff or constable by paying the person who purchased the property from the taxing unit the amount the purchaser paid for the property, the amount of the fee for filing the purchaser's deed for record, the amount paid by the purchaser as taxes, penalties, interest, and costs on the property, plus a redemption premium of 25 percent of the aggregate total if the property is redeemed in the first year of the redemption period or 50 percent of the aggregate total if the property is redeemed in the second year of the redemption period.

(d) If the amount paid by the owner of the property under Subsection (c) is less than the amount of the judgment under which the property was sold, the owner shall pay to the taxing unit to which the property was bid off under Section 34.01 an amount equal to the difference between the amount paid under Subsection (c) and the amount of the judgment. The taxing unit shall issue a receipt for a payment received under this subsection and shall distribute the amount received to each taxing unit that participated in the judgment and sale in an amount proportional to the unit's share of the total

amount of the aggregate judgments of the participating taxing units. The owner of the property shall deliver the receipt received from the taxing unit to the person from whom the property is redeemed.

(e) The owner of real property sold at a tax sale other than property that was used as the residence homestead of the owner or that was land designated for agricultural use when the suit or the application for the warrant was filed, or that is a mineral interest, may redeem the property in the same manner and by paying the same amounts as prescribed by Subsection (a), (b), (c), or (d), as applicable, except that:

- (1) the owner's right of redemption may be exercised not later than the 180th day following the date on which the purchaser's or taxing unit's deed is filed for record; and
- (2) the redemption premium payable by the owner to a purchaser other than a taxing unit may not exceed 25 percent.

(f) If the owner of the real property makes an affidavit that the owner has made diligent search in the county in which the property is located for the purchaser at the tax sale or for the purchaser at resale, and has failed to find the purchaser, that the purchaser is not a resident of the county in which the property is located, that the owner and the purchaser cannot agree on the amount of redemption money due, or that the purchaser refuses to give the owner a quitclaim deed to the property, the owner may redeem the land by paying the required amount as prescribed by this section to the assessor-collector for the county in which the property described has been redeemed. The assessor-collector receiving the payment shall give the owner a signed receipt witnessed by two persons. The receipt, when recorded, is notice to all persons that the property described has been redeemed. The assessor-collector shall on demand pay the money received by the assessor-collector to the purchaser.

(g) In this section:

- (1) "Land designated for agricultural use" means land for which an application for appraisal under Subchapter C or D, Chapter 23, has been finally approved.
- (2) "Costs" includes:
 - (A) the amount reasonably spent by the purchaser for maintaining, preserving, and safekeeping the property, including the cost of:
 - (i) property insurance;
 - (ii) repairs or improvements required by a local ordinance or building code or by a lease of the property in effect on the date of the sale;
 - (iii) discharging a lien imposed by a municipality to secure expenses incurred by the municipality in remedying a health or safety hazard on the property;
 - (iv) dues or assessments for maintenance paid to a property owners' association under a recorded restrictive covenant to which the property is subject; and
 - (v) impact or standby fees imposed under the Local Government Code or Water Code and paid to a political subdivision; and
 - (B) if the purchaser is a taxing unit to which the property is bid off under Section 34.01, personnel and overhead costs reasonably incurred by the purchaser in connection with maintaining, preserving, safekeeping, managing, and reselling the property.
- (3) "Purchaser" includes a taxing unit to which property is bid off under Section 34.01.
- (4) "Residence homestead" has the meaning assigned by Section 11.13.

(h) The right of redemption does not grant or reserve in the former owner of the real property the right to the use or possession of the property, or to receive rents, income, or other benefits from the property while the right of redemption exists.

(i) The owner of property who is entitled to redeem the property under this section may request that the purchaser of the property, or the taxing unit to which the property was bid off, provide that owner a written itemization of all amounts spent by the purchaser or taxing unit in costs on the property. The owner must make the request in writing and send the request to the purchaser at the address shown for the purchaser in the purchaser's deed for the property, or to the business address of the collector for the taxing unit, as applicable. The purchaser or the collector shall itemize all amounts spent on the property in costs and deliver the itemization in writing to the owner not later than the 10th day after the date the written request is received. Delivery of the itemization to the owner may be made by depositing the document in the United States mail, postage prepaid, addressed to the owner at the address provided in the owner's written request. Only those amounts included in the itemization provided to the owner may be allowed as costs for purposes of redemption.

(j) A quitclaim deed to an owner redeeming property under this section is not notice of an unrecorded instrument. The grantee of a quitclaim deed and a successor or assign of the grantee may be a bona fide purchaser in good faith for value under recording laws.

(k) The inclusion of dues and assessments for maintenance paid to a property owners' association within the definition of "costs" under Subsection (g) may not be construed as:

(1) a waiver of any immunity to which a taxing unit may be entitled from a suit or from liability for those dues or assessments; or

(2) authority for a taxing unit to make an expenditure of public funds in violation of Section 50, 51, or 52(a), Article III, or Section 3, Article XI, Texas Constitution.
