ORANGE COUNTY TRAVEL POLICY

(As of January 2022)

(Subject to previous Commissioners' Court order requiring prior Court approval on all out-of-county travel)

1. Use of a county vehicle is required, when available, for all travel out-of-county. If county vehicle is unavailable, mileage expenses for private vehicles will be reimbursed at the annual rate adopted by Commissioners' Court per mile, with the following provisions:
 - (a) A Google map indicating the starting address and final destination point must be presented as verification claiming miles. Mileage expenses will be limited to such standard round-trip miles.
2. In cases of the use of a county vehicle, reimbursable expenses will include gasoline, oil or other expenses of an emergency nature, which might arise in connection with the vehicle, subject to the following provisions:
 - (a) Receipts must be submitted for all expenses with employee's claim for reimbursement. Receipts for any charges, made on the county's credit cards must also be submitted.
 - (b) Odometer readings of the beginning and ending mileage on the county vehicle must also be submitted. Any such mileage more than 10% in excess of that allowable under "Provision 1" above will be reimbursed by the employee to the county at the rate of .19 per mile.
3. Auto mileage reimbursements for personnel receiving monthly car allowance will be limited to cover travel only to destinations in excess of fifty (50) miles or more from the Courthouse.
4. Other reimbursable expenses shall include tolls or parking fees where unpaid parking facilities are not available.
5. Meal expenses will be reimbursable, subject to the following provisions:
 - (a) Meal expenses will be reimbursable only for travel to destinations out-of-county.
 - (b) Reimbursable meal expenses are limited to a total cost of \$45.00 per day. No food and drink expenses, other than those included with meals are allowed, and no alcoholic beverages are allowed. \$30.00 a day is allowed for meals without the requirement to submit documentation in support of meal expenses. Receipts for any meal charges on county credit cards must also be submitted for audit.
6. Hotel/Motel room costs are to be limited to **\$225.00** per day for single or double occupancy.
ALWAYS ASK FOR GOVERNMENT RATE
 - (a) Double occupancy of hotel/motel rooms is requested in cases where any two or more county employees or officials of the same sex are traveling together.
 - (b) Itemized hotel bills must be submitted for reimbursement of such expenses, and receipts for any such charges on county credit cards must also be submitted.
7. No entertainment expenses will be reimbursable **(including hotel movies)**.
8. No expenses for family or friends traveling with you will be reimbursable, and all meal tickets and hotel bills must be reduced to include only those expenses related to county travel for employees. **(Hotel/Motel charges should be reduced to the single rate)**.
9. All travel claims must be supported by proper documentation and must include any charges on county credit cards which are subject to the same provisions as cash expenditures. Any credit card charges in excess of established policy must be reimbursed by the employee to Orange County.
 - (a) In case of lost receipts for lodging or other reimbursable expenses, such expenses will be allowable up to 90% of the maximum allowable, with employee's signed statement affirming that such expenses were at least that amount.
10. All employees **must** make a full accounting of all travel expenditures within 72 hours of their return, if a travel advance has been obtained; also a prompt reimbursement to the Orange County Treasurer must be made for all travel advance money not used.
