RFP GLO CDBG-DR Buyout Program

Real Property Appraisal Services

Orange County is seeking proposals from competent service providers to assist with fair market value estimations for approximately 17 properties located in Orange County to be acquired using funds provided by the CDBG-DR Buyout Program administered by the Texas General Land Office.

The following outlines the request for proposals. Note, “application” and “award” in this RFP refer to a subapplication submitted to the funding agency and a subaward granted by the funding agency. Any work done prior to the award of a Real Property Appraisal Services Agreement is considered “at risk” and Orange County is under no obligation to fund or pay for such work.

- I. **Scope of Work** –The service provider(s) is to provide real property appraisal services including but not limited to the following areas:

Orange County is seeking proposals to conduct property appraisal work under GLO’s CDBG-DR Buyout Program resulting from Federal Disaster Declaration 4332 (Hurricane Harvey). Project involves fair-market value estimation services for approximately 17 properties which sustained flooding damage.

Appraisal scope and methodology details include:

- Comparable sales approach, which involves actual settlement amount for properties with similar livable square footage, structure layout detail (bedrooms, bathrooms, etc.), condition/quality, acreage, neighborhood characteristics, designated flood zone (Floodway, Zone AE, Zone A, Shaded Zone X, or Zone X), timing or sale, etc.
- For properties in continuous ownership since August 23, 2017 or earlier, a “pre-event value” methodology will be used (defined as value of property as of August 23, 2017 considering condition of property and market conditions at that time);
- For vacant properties, highest-best use assumption, comparable sales approach.

- II. **Statement of Qualifications** - Orange County is seeking to contract with well-qualified service provider(s) experienced in performing and documenting real property appraisals. Responses to the Request for Proposals should at a minimum demonstrate:

 - 3) Relevant experience and project understanding;
 - 4) Adequate staff and technical knowledge;
 - 5) Readiness and ability to complete assigned tasks and functions within required timeframe;
 - 6) Cost proposal for typical work activities according to specifications outlined above.

- III. **Proposed Cost of Services** – Services under this RFP may include any or all of the eligible activities listed in Section II. In order to establish a basis for cost comparison, provide a firm fixed-price cost proposal for each of the currently proposed project(s) described below. Cost proposals must be submitted using the table below and will be evaluated against each other, relative to the initial project cost estimates. Cost proposals should include any additional services required to implement the currently proposed project(s) described below.

The proposal must include all costs that are necessary to successfully complete these activities. Orange County will consider dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women’s business enterprises. Contract pricing for services under this RFP will be adjusted if final project cost estimates differ from the current estimate. Please note that the lowest/best bid will not be used as the sole basis for entering into this contract.
