Re: The Gist Road fire along FM 2802/Texla Road**

The Gist Road fire in the area of FM 2802/Texla Road is 50% contained and remains to be 400-500 acres. Fire crews are continuing with ground and air operations to suppress the hotspots. Please be aware there will be heavy smoke in the area and if you do not live in the area, please avoid it due to the heavy fire vehicle traffic.

Orange County continues to remain under a Burn Ban.
