## INDIVIDUAL SEWAGE SYSTEM ACCEPTANCE FORM

## **PERMIT** RE: (Name) (Address) , TX. I, \_\_\_\_\_ am aware that the above referenced property has an individual sewage system and that such systems are limited in the amount of water they will accept and function as designed. If I use more water than the system will handle, the wastewater will surface in violation of the law and it will be my responsibility to remedy the problem. In the case this location was granted a variance from the required separation distances, the owner must maintain a continuous maintenance contract with 4 site visits per year. Provide annual BOD and TSS reports. Install and maintain a cholorinator system and provide for a slope away from the well. Signature of Purchaser Date NOTE: Please sign and return to: ORANGE COUNTY HEALTH & CODE COMPLIANCE 11475-C HWY 1442

If more information about this system or systems in general is needed, please contact us at (409) 745-1463.
