**Section 2. Permits and Exemptions**

A valid permit must be posted in or on every food establishment regulated by this Order.

A food establishment operated solely by a nonprofit organization is exempt from the permitting requirements of this Order, but is not exempt from compliance with state laws and rules. The regulatory authority may require any information necessary to determine whether an organization is nonprofit for purposes of this exemption.

A bed and breakfast establishment with seven or fewer rooms for rent that serves only breakfast to its overnight guests is not a food establishment for purposes of this Order. Failure to provide all required information, or falsifying information required may result in denial or revocation of the permit. Renewals of permits are required on an annual basis and the same information is required for a renewal permit as for an initial permit.

Prior to the approval of an initial permit or the renewal of an existing permit, the regulatory authority shall inspect the proposed food establishment to determine compliance with state laws and rules.
