

Vessel Turn-In Program

An Opportunity to Voluntarily Remove
Inoperable, Derelict Vessels

Orange County is partnering with the Texas General Land Office (GLO) and Texas Parks & Wildlife Department (TPWD) to offer Orange County residents a FREE opportunity to remove inoperable and derelict vessels through the Vessel Turn-In Program (VTIP)

Designed to provide owners with a voluntary method of disposal, TPWD will verify ownership and ensure each vessel (boat) qualifies for disposal. The GLO will remove all oil, fuel, batteries and pollutants. Orange County will dispose of the vessels.

You are encouraged to participate if you own a vessel under 26 feet long in need of disposal or know a neighbor who may need assistance. Boats must be clear of waste and debris. All boats must be brought to the drop off location.

March 1, 3, 5, 8, 10, and 12, 2022
7:00 AM – 6:00 PM

Orange Drop-off Location:
Orange County Collection Station
11265 FM 1442
Orange, TX 77630

REMEMBER - THIS IS A SIX-DAY EVENT. March 1, 3, 5, 8, 10, and 12, 2022

For more information, please contact the GLO between 8:00 – 5:00
Monday through Friday at (409) 727-7481.
