**Press Release
September 11, 2023**

Orange County officials are lifting all evacuation orders in the area of FM 2802/Texla Road. Fire crews will continue to work in the area to cover hotspots, but all homes are safe as of 1 am September 11th, 2023.

The fire has burned 400 to 500 acres and is 40 % contained. Containment is not measured of how much fire is extinguished but rather how much of a perimeter line crews established around the fire's path of spread.

Orange County continues to remain under a burn ban.
