### Consider these Actual Cases:

- A property owner and a bank sued a Notary. She did nothing wrong, but was deceived by identity thieves. The Notary chose to pay to settle both lawsuits rather than endure prolonged litigation. *An Errors & Omissions policy would have protected her.*
- A Notary witnessed the signature of a minor on a deed transfer, using a passport as identification. When the parents divorced, the Notary was sued on behalf of the child by her legal guardian. Because she had an Errors & Omissions policy, the Notary avoided substantial legal fees. *She was fully protected.*
- In a real estate transaction, a Notary witnessed signatures that later proved to be forgeries. Even though she was acting on instructions from her boss, the notary was held liable for \$5,000 in damages.
